## **Re: Silent Auction Donation Request**

To Whom It May Concern,

We are writing to ask if your business would generously donate a silent auction item to The Bunny Trail Rabbit Rescue. As a 501c Rescue, The Bunny Trail Rescue is solely donation-based. Therefore, we must rely on fundraising and help from the community to achieve our budgetary goals.

As we celebrate our accomplishments, we also want to celebrate what a gift it is to have such a supportive and generous community in both Fresno and Monterey County to support this journey. Our rescue focuses on the unwanted, abandoned, mistreated, and abused domestic rabbits, we want to show them the life they deserve.

**What we are fundraising for:** Our goal for this event is to raise the money needed to continue in the work of helping find our rabbits forever homes, having them spayed/neutered, and given the medical care they need until their new families come for them. As well as help cover the overhead cost of the rescue itself (Electrical/Utilities, feed, supplies, insurance, rent, etc). As a 501c3 Rescue, all donations and purchases in our silent auction are tax-deductible.

Our Fall BunnyFest Event will be on October 22nd from 5-9p at The Wine Bank Courtyard in Carmel. This event will have our Silent Auction, which we hope will help promote your business with donations such as baskets, gift certificates, or promotions. We will be inviting all of our followers as well as current supporters with a maximum guest count of 200 attendees. We hope you will be able to join us as well.

Thank you for your time, support, and generous giving to The Bunny Trail Rescue.

Sincerely,

Bethany Brandt-Ambrosia and Virginia Callison

**2022 Fall BunnyFest Fundraising EVENT**

**SILENT AUCTION DONATION REQUEST FORM & RECEIPT**

The Bunny Trail Rabbit Rescue strives to help the community with support and education for domestic rabbits.

Since our opening in April 2021, we have been able to save over 140 bunnies and able to find forever-loving homes for over 120 rabbits. We have partnered with 3 animal shelters to help intake those who come into their care, as well as help the community with stray requests, and surrender requests.

Our goal for this event is to raise the money needed to continue in the work of helping find our rabbits forever homes, having them spayed/neutered, and given the medical care they need until their new families come for them. As well as help cover the overhead cost of the rescue itself (Electrical/Utilities, feed, supplies, insurance, rent, etc).

*Thank you for helping us achieve our goal!*
